

CASINO THEATER MAY BE ON CIRCUIT

Manager Y. C. Alley Confers
With Gen. Mgr. Bleeker.

He Has Parks in Several Southern
Cities—Here With Cin-
derella.

NOTHING DEFINITE WAS DONE

Mr. Y. C. Alley, manager of "Cinderella," now playing an engagement at the Kentucky theater here, held a conference this morning with General Manager Bleeker, of the Street Car company, relative to putting the Casino theater in Wallace park on a big southern circuit next summer.

Nothing definite was done, but it is expected that the matter will be taken up later and definitely settled.

Mr. Alley is now manager of theatres on a southern circuit including Nashville, Chattanooga, Knoxville, Tenn., Huntsville, Ala., and other places, and is one of the best known and most successful theatrical managers in the south. He is very anxious to put Paducah on his circuit, and it may be well succeed. He furnishes only first class attractions.

Mr. Bleeker, of the Street Car Co., said today that they expect to greatly improve Wallace park, and the theater building before next summer. It will be made into a typical big city park.

ALL OVER NOW

NO MORE HEALTH CERTIFICATES
ISSUED AT CITY HALL.

Health Officer W. T. Graves Says
About 20,000 Were Issued
in All.

City Health Officer W. T. Graves has quit issuing health certificates at the city hall, the last one being issued yesterday afternoon.

It is estimated by Dr. Graves that during the quarantines that from 18,000 to 20,000 health certificates have been issued in Paducah, which shows the immense travel through this city.

The disease has practically been wiped out in the south, and Dr. Graves was issuing but three of four certificates he needed in his office at the city hall. He stated this afternoon that nearly all the quarantines had been raised and the public could go anywhere without certificates and he saw no reason to continue the office longer. Hereafter if anyone needs a certificate it can be secured at the office of Dr. W. T. Graves on Fifth street, between Broadway and Kentucky avenue.

MISSING MOTHER

HAS PROCEEDS OF AN INSUR-
ANCE POLICY DUE HERE.

Indiana Attorneys Write to Paducah
Where the Mother of Clarence
S. Thomas Is Said to Be.

Awaiting Mrs. Elizabeth Thomas is an insurance policy the amount of which is not known but it is said to be over \$1,000.

Attorney W. V. Eaton today received a letter from an insurance company in which it was stated that Clarence S. Thomas had died at Fountain City, Ind., on October 29. No further particulars were given regarding the death. He was 31 years old. The letter stated that the young man carried a life policy in the company and that it was made payable to his mother, Mrs. Elizabeth Thomas, of Paducah, Ky. It was taken out in 1898.

Mr. Eaton has been trying to locate the mother but has been unable to find her name in the city directory or to learn anything of her whereabouts. It is possible she came here after the directory was published or has moved away. He has charge of the policy and would be glad to get any information regarding Mrs. Thomas.

It is the opinion of Mr. Eaton that the policy is for about \$2,000 or maybe more. He said the letter indicated that it was over a thousand dollars. He believes the young man traveled over the country and seldom wrote home. Likely the mother has never heard of his death.
